We welcome you to the health sciences campus of the University of Mississippi. We hope your time here as students will be rewarding and successful. Upon graduation from the Medical Center, you too will become alumni of the University of Mississippi Medical Center. We have over 14,000 alumni in our five chapters here at the Medical Center. Those chapters include: Medical Alumni Chapter; Dental Alumni Chapter; Health Related Professions Alumni Chapter; Nursing Alumni Chapter; and Graduate Studies Alumni Chapter. We have an alumni board of directors in each of our alumni chapters with a president and president-elect.

Because of the generous support of our alumni, scholarships and student loans are available to students meeting certain criteria. You may inquire about these through your student affairs office in each of the schools.

Some student events sponsored by your alumni chapters at the University of Mississippi Medical Center include:

Student Welcome lunch
Graduation lunch
Business Basics Seminars for Medical residents/M-4's
Specialty Seminars
Real Estate Seminar
Margie Bulboff Golf tournament
Awards for each of our schools' Honors Day
Medic sponsorship
ASDA Golf tournament sponsorship
Match Day Breakfast
